FOR IMMEDIATE RELEASE:

An orientation session for new 7th grade and 8th students and their parents will be held at the new Easton Area Middle School Campus on Friday, August 22nd.

The orientation session will be held in the auditorium and will begin promptly at 9:00 am; however, for the convenience of the parents, the school will remain open to visitors until 1:30 pm. During this time, students and parents will meet with the administrative staff and familiarize themselves with the building. Guidance counselors and grade level principals will be available after the 9:00 orientation session to answer any questions. Tentative student schedules, including homeroom assignments, will be mailed prior to the orientation session.

The opening day of school is scheduled for Monday, August 25th. Students are expected to be in their respective homerooms by 8:00 a.m. and will be dismissed at 2:50 p.m. Student locker information, final schedules, student handbooks, and other pertinent documents will be provided in homeroom during the first day of school. If you have questions about the orientation session or opening day of school, please call (610) 250-2460 (ext. 31017 for 7th grade students; ext. 31015 for 8th grade students).
