Discussion Item: Long Range Plan

Administration Recommendation: Long Range Plan

1. 2008-09 August - Middle School Complex - completed grades 5-8
2. 2008-09 School Year - Paxinosa students move to EAMS - EAMS becomes a K-4 elementary school
3. Renovate Paxinosa Elementary school beginning in July 2008 - begin PlanCon process for Paxinosa renovations - September 2007
4. 2008 April - Begin planning for additional space at high school if needed - school organization and visual control project implemented in August 2007
5. Continue with Capital Improvement Projects

Key Components:

- EAMS as an elementary school housing present Paxinosa students leaves room for expansion (EAMS capacity 1400). Paxinosa present enrollment is 662.
- EAMS becomes neighborhood elementary school making the school easily accessible for parents. Will alleviate overcrowding at Cheston.
- Renovated Paxinosa Elementary School can be used as an elementary to service Palmer and Forks area or as an early childhood center depending upon future needs of the district. Will alleviate overcrowding at Tracy, Palmer and Forks Elementary Schools.
